Hello Moms and Dads!

Spring is in the air, my favorite time of year.

It's hard to believe we are in the final stretch

of our school year. I know these next few

months are going to fly by, though I admit, I

am hoping the time doesn't pass too quickly.

We are going to have a busy month.

This month we will continue to practice a range

of skills including, shapes, patterning, letter

recognition, counting and number recognition.

We will be working to improve our fine motor

skills by using do-a-dot markers with activities

such as: marking the beginning sounds of the

letters, and coloring pictures. This month your

child will learned about the letters O, N, R and

the beginning sounds - o, n, r
