Praying for return of sight in right eye for M. Taylor.

Mary Smith -

Please pray for my fiancée James (Jim) Hahn. On 5/6/19 he had brain surgery & was diagnosed with brain cancer - glioblastoma multiforme (GBM). We are praying for a miracle as there is no cure. However, there is a trial study in Philadelphia shown successful. Please pray Moffitt has the same treatment or we can go to PA. I am also recovering from a heart condition.
